

## **“Let’s Save 10L Water” Campaign**

- MVO:           With just a slight change of your habits, you can become a member  
                  of the water-saving elite!  
                  Follow me!  
                  Washing vegetables or dishes without keeping the water running,  
                  taking a shorter shower and washing clothes with a full load can help  
                  save lots of water!
