

**Agreement No. CE 52/2009 (WS)**  
**Improvement of fresh water supply to Cheung Chau**  
**– Design and Construction**

**Requirements for ISO 9001 Certification**

- (1) The consultant shall submit, together with its expression of interest, a copy of its ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certificate acceptable to the Employer showing the scope of certification and a statement either:
  - (A) confirming that no area/aspect in the consultancy agreement which its quality system specifically excludes; or
  - (B) disclosing the areas/aspects in the consultancy agreement which its quality system specifically excludes.
  
- (2) Subject to the following paragraphs, submissions from consultants who have not obtained ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certification on or before the date of this invitation may not be considered.
  
- (3) If the consultant, due to circumstances beyond its control, has not obtained ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certification but a full review of the Quality Manual of its Hong Kong office has been carried out in Hong Kong by a certification body acceptable to the Employer and such Quality Manual has been confirmed by the certification body as being in conformity with the requirements of ISO 9001:2000<sup>#</sup> or ISO 9001:2008 standard on or before the date of this invitation, the submission by the consultant will still be considered provided that the consultant shall undertake in writing if it is awarded the consultancy agreement, to book within three months of the award of the consultancy agreement, the date of audit for ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certification with the certification body; with detailed documented quality system procedures ready at the time of booking. The booking of the audit shall be a condition precedent to the consultant's entitlement to any payment or any further payment of fees under the consultancy agreement.

- (4) If the consultant whose scope of certification excludes site activities service which is required to be provided by the consultant under the consultancy agreement, its submission will be considered to be non-conforming in respect of the certification requirements. If the consultant can prove to the satisfaction of the Water Supplies Department that such exclusion is due to circumstances beyond its control, the proposal may still be considered to be conforming in respect of the certification requirements provided that the consultant shall undertake in writing that if the consultant is awarded the consultancy agreement, it shall apply within three months of the award of the consultancy agreement to the certification body for revision of its current scope to cover site activities service; with detailed documented quality system procedures ready at the time of applying for revision. The submission of an application for revision of the scope of its ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certification to cover site activities service shall be a condition precedent to the consultant's entitlement to any payment or any further payment of fees under the consultancy agreement.
- (5) If the consultant is a joint venture, the consultant shall submit, together with its expression of interest, a statement declaring that it shall implement the quality system of one of its partners or shareholders, and specifying which one. The reference to ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certificate, ISO 9001:2000<sup>#</sup> or ISO 9001:2008 certification and Quality Manual referred to in (1) to (4) above shall refer to that of the specified partner or shareholder. The consultant shall also submit a copy of the written notification to the certification body of the specified partner or shareholder that the joint venture shall implement the quality system by the specified partner or shareholder and the written agreement that the activities of the joint venture shall be subject to the surveillance of the certification body.

# For use before 15 November 2010
