Water Conservation Starts from Home

Here are some simple tips to save water in daily life:

YES

Don't wash dishes and produce under a running tap.

NO

Turn off the tap while brushing teeth, soaping hands or shaving.

YES

Take short showers instead of baths.

YES

Water plants with the same water used for washing vegetables and fruit.

YES

Only run washing machines or dishwashers with a full load.

YES

Use water saving devices, e.g. water efficient showerhead/tap, dual flush toilet cistern, and pay attention to water efficiency labels.

YES

Wash cars with the water bucket and towel, instead of the hose.

YES

Fix dripping taps and water mains promptly.

NO

Teach children that water is not for games.

NO

Avoid flushing unnecessarily.
