

**IWA-CROUCHER FOUNDATION ADVANCED STUDY INSTITUTE PRESENTS  
INTENSIVE LECTURES ON TOTAL WATER MANAGEMENT WITH SIXTEEN  
WORLD'S LEADING EXPERTS  
JUNE 23-25, 2008, HKUST**

The IWA-Croucher Advanced Study Institute (IWA-ASI) offers two lecture-in-series programs on 1) *Sustainability of Water Environment and Water Resources (IWA-ASI 1)* and 2) *Perspectives of Energy and Resources Saving Recovery in Wastewater Treatment (IWA-ASI 2)* for local water professionals to learn the state-of-the art in total water management with broad perspectives from sustainable urban water management, leading-edge water resources policies and strategies, energy reduction and recovery in sewage treatment, innovative water quality assessment to advancements in water environment conservation.

Each program is specially designed to invite eight world's leading experts to deliver 1.5-hr lectures with 0.5-hr classroom discussions. A list of the sixteen lecturers is provided below for information:

- Ernest R. Blatchley III**, Professor of Purdue University (USA).
- Markus A. Boller**, Head and Professor of Urban Water Management of Swiss Federal Institute for Environmental Science and Technology.
- John C. Crittenden**, Richard Snell Presidential Chair Professor of Arizona State University.
- Steve K. Dentel**, Professor of University of Delaware.
- Keisuke Hanaki**, Professor of the University of Tokyo.
- Chin-Pao Huang**, Donald C. Phillips Professor of University of Delaware.
- Jurg Keller**, Director and Professor of the University of Queensland.
- Joseph H. W. Lee**, Redmond Chair Professor of University of Hong Kong.
- Bruce E. Logan**, Kappe Professor of the Pennsylvania State University.
- Larry W. Mays**, Professor of Arizona State University.
- Roger A. Minear**, Professor Emeritus of University of Illinois at Urbana-Champaign.
- David A. Reckhow**, Professor of University of Massachusetts.
- Hang-Sik Shin**, Professor of Korea Advanced Institute of Science & Technology

**Yeou-Koung Tung**, Professor of HKUST  
**Yoshimasa Watanabe**, Professor of Hokkaido University.  
**Mark R. Wiesner**, James L. Meriam Professor of Duke University

**Venue and Program:**

The two programs will be held at Lecture Theatres K and J in parallel (see Attachment 1). Tentative programs are provided in Attachment 2 for information.

FOR MORE INFORMATION AND INQUIRY please call GH Chen at 23588752 or email him at [ceghchen@ust.hk](mailto:ceghchen@ust.hk).

**Information for Registration**

**Registration Fee:** 1,000HK\$ for attending any programs on any particular days and 2,500 HK\$ for attending any programs for all three days. The registration fee includes beverage, lunch, lecture hand-out and campus parking on registered day(s).

**Registration Method:** please kindly complete the registration form in Attachment 2 and send it back with your credit card payment authorization or a bank cheque payable to "the Hong Kong University of Science & Technology" to: Ms. K C Chan, Department of Civil Engineering, HKUST, Clear water Bay, Kowloon. Tel: 2358-7234; fax: 2358-1534; Email: [egkachi@ust.hk](mailto:egkachi@ust.hk).

**Registration deadline:** June 10 2008.

**CPD Certificate:**

We issue CPD certificate upon request.

**ORGANIZED BY**  
Department of Civil Engineering, The Hong Kong University of Science and Technology

**SUPPORTED BY**  
**IWA REGIONAL COMMITTEE OF HONG KONG, CHINA**
