Dear Sir,

**WSD Circular Letter No. 2/2001**  
**Form WWO 542 – Application for Water Supply**  
**/ Request for Work to be Carried out by the Water Authority**

In applying water supply applications, the customers are required to submit a number of Waterworks forms for different specific purposes. In order to save the customers' time in completing the forms, these forms have been redesigned and combined into a single form to help the customer finding easier to use.

From now on, the customers will be required to submit Form WWO 542 for applying water supply. This form has replaced Forms WWO 2, WWO 3, WWO 194 and WWO 526. The latter forms will not be accepted for use in applying water supply after **31 December 2001**.

A copy of Form WWO 542 is attached for your reference. The form can also be downloaded from the website <http://www.info.gov.hk/wsd/forms/indexe.htm>. For enquiry, please contact us at telephone no. 2829 4574.

Yours faithfully,

  
(Daniel S P CHAN)
