Dear Sir,

**Point Penalty System for
Defects in Plumbing Works Carried Out by Licensed Plumbers**

Further to my previous circular letter to you dated 24 August 1984, I am pleased to inform you that the review on the Point Penalty System put on dummy trial since 1 October 1984, has been recently completed.

Having considered in detail the results of the dummy trial and the consolidated views put forward by the Hong Kong & Kowloon Plumbing and Sanitary Ware Trade Association Ltd., it is decided that the Point Penalty System, being proved successful in achieving its intended purpose of effecting a closer monitoring on the performance of licensed plumbers, should be formally adopted.

Please, therefore, be notified that the Point Penalty System will be formally implemented as scheduled with effect from 1 October 1985. You are kindly requested to make reference to my previous letter dated 24 August 1984 regarding full details of the Point Penalty System.

Yours faithfully,

Signed
