

A detailed map of Sham Shui Po, Hong Kong, showing its street grid and topography. A red outline delineates the district's boundary. Five specific water service reservoirs are highlighted with small red boxes and labeled with arrows. The labels are in both Chinese and English. The reservoirs are: Piper's Hill High Level Fresh Water Service Reservoir (top left), Beacon Hill High Level Fresh Water Service Reservoir (top right), Shek Kip Mei Fresh Water Service Reservoir (middle right), Shek Kip Mei No.2 Fresh Water Service Reservoir (lower middle right), and Shek Kip Mei No.3 Fresh Water Service Reservoir (bottom right).
