

Voluntary Continuing Professional Development Scheme for Licensed Plumbers

CPD Credit Allocation Criteria

CPD Credit should be assigned by Accredited Providers. The general guiding principles for CPD credit allocation are listed as follow:

- (i) CPD activities may be categorised into core and non-core activities.
- (ii) Activities directly related to the Waterworks Ordinance/Waterworks Regulations or other related legislations requirements, and/or enrichment of knowledge and skills for plumbers should be categorised as core activities.
- (iii) Other activities not directly related to enrichment of knowledge and skills for plumbers should be categorised as non-core CPD activities.
- (iv) Core CPD activities shall offer more CPD credits as compared with non-core ones.

	Description	Allocation Unit
Core CPD activities	<ul style="list-style-type: none"> • Understanding Waterworks Ordinance / Waterworks Regulations or other related legislations requirements • Revision / update of Waterworks administrative / technical requirements 	2 CPD credits per 1 hour of participation
	<ul style="list-style-type: none"> • Directly related to skills and knowledge for plumbers • Enrichment of knowledge for plumbers 	1 CPD credit per 1 hour of participation
Non-core CPD activities	<ul style="list-style-type: none"> • Other knowledge related to construction industry in general • Site visit or workshop related to construction industry in general 	0.5 CPD credit per 1 hour of audience participation / workshop / visit

Remarks:

For site visit activities, the transportation time shall not be entitled to any CPD credits

For those CPD activities in form of e-learning provided by Accredited Providers, they shall display the unique CPD code and the allocated credits for that e-learning at the webpage. LPs are allowed to report the credits gained from **an individual** e-learning activity in their CPD record **only once** in the reporting cycle, i.e. one year.

The Panel reserves the right to revise the credit of the CPD programme/activities, in case the Panel opines that the credit allocation is not appropriately assigned by the Accredited Providers.
