Register for Water Supplies Department's simplified "e-Bill Service" to receive electronic water bills by email in replacement of paper bills delivered by post. With "e-Bill Service", not only you can manage your water bills with ease, but also help reduce paper consumption, lead a green lifestyle and enjoy a range of value-added services.

- Receive your new bills by email in an instant without postal delay or delivery failure
- Receive email reminder before payment due date to avoid overdue payment
- View your water consumption records of the last two years easily on internet
- Reduce paper consumption and help protect the environment
- Save your space for keeping paper bills
- Every successful applicant of "e-Bill Service" is entitled to receive a pair of complimentary flow controllers for water taps

It's easy to apply for "e-Bill Service" online!

- 1 Go to the website below: http://www.wsd.gov.hk/ebill_service
- 2 Click "Apply for e-Bill service"
- 3 Enter your account number shown on the water bill
- 4 Input the registered customer's name and HKID number / passport number / Business Registration number
- 5 Enter a valid email address for receiving e-Bills
- 6 Click the hyperlink provided in the email issued by WSD for confirmation and activation of the "e-Bill Service"

If all our customers opt for e-Bills, about 120 tonnes of paper can be saved per year, which is equivalent to saving of 2,000 trees!
