

Chapter 0.1 : Table of Contents

<u>Index Number</u>	<u>Description</u>
E-00-01	Electrical Equipment – General
E-00-02	Site Installation and Testing of Electrical and Instrumentation Plant and Equipment
E-00-05	Site Installation and Testing of Building Services Equipment
E-11-01	LV Switchboard and Control Board
E-11-02	Control Panels and Switchboards Rated Up to 160A
E-11-03	Electrical and Instrumentation Panels and Cubicles
E-11-04	Pumpset Control Panel
E-12-01	Wall Mounted Motor Starter For Motor Up to 16kW
E-15-01	High Voltage Switchboard
E-15-02	Gas Insulated Vacuum Circuit Breaker High Voltage Switchboard
E-30-01	Electrical Cables
E-30-02	Earthing and Lightning Protection Materials
E-30-04	Heat Shrinkable Power Cable Termination Kit
E-30-11	Cable Trays and Accessories
E-30-12	Cable Cleats, Lugs and Glands
E-51-01	LV squirrel Cage Induction Motors of 140kW and above
E-51-02	Electric Actuator for Valve and Penstock
E-51-03	Squirrel Cage Induction Motors of 40-140kW Rating
E-51-04	Squirrel Cage Induction Motors below 40kW

Chapter 0.1 : Table of Contents

E-51-05	Motors of 40-140kW for Submersible Pump
E-51-06	Motors below 40kW for Submersible Pump
E-55-01	High Voltage Motors of 3.3kV and above
E-60-01	Low Voltage Power Factor Correction Capacitor
E-60-03	Gas Recombination Type Rechargeable Battery Equipment
E-60-04	Power Transformers with Epoxy-Encapsulated Windings for a Rating of 50 to 1000kVA
E-60-05	Bulk Oil Power Transformer
E-60-06	Auto-Transformers for High Voltage Motor Starters
E-60-07	High Voltage Power Factor Correction Capacitors
E-61-02	Ventilation Fans for Plant Rooms
E-61-03	Uninterruptible Power Supply Equipment
