

When we are enjoying quality drinking water, have we ever thought about the waterworks installations serving us over the decades and the precious water resources that nurture the earth and all living creatures?

The **Water Supplies Department** now launches a “**Cherish Water Resources**” **Waterworks Installations Drawing Competition** to encourage the public to express, through their creativity and imagination, the concept of “Cherish Water Resources” by using Hong Kong’s waterworks installations (such as reservoirs, dams, water treatment works, services reservoirs, etc) as the creative element. The competition aims at enhancing people’s understanding of Hong Kong’s waterworks installations and reminding people to cherish these installations as well as water resources.

### Entry Categories

**Open Category** : All Hong Kong citizens with HKID card

**Secondary School Category** : All full-time secondary students in Hong Kong

### Entry Requirements

1. Entries should not be bigger than A2 size (594 x 420mm).
2. Entries should be 2-dimensional in horizontal or vertical format and there is no restriction on painting technique or method.
3. Entries should be hand painted only. Three-dimensional collage artworks, digital touch-ups and computer design artworks will not be accepted.
4. Hong Kong’s waterworks installations, which include 41 waterworks statutory monuments, and nearby scenery should be used as the creative element (Relevant information is available on WSD website).
5. Participants should submit a colour copy of the artworks for screening and shortlisted participants will be invited to submit their original artworks for final adjudication.

### Entry Submission

Please submit a colour copy of the entries with entry form (shortlisted participants should submit their original artworks for final adjudication)

By post or in person to:

“Cherish Water Resources”
