For the purpose of paragraphs 36 to 39 in Annex I of the DEVB TC(W) No. 2/2009, please be informed that the past performance of the consultants and past performance of the sub-consultants would be assessed in the Expression of Interest stage as well as in the Technical and Fee Proposals stage.

If you are a limited liability company, then you are required to submit documentary proof that the majority of the voting power in meetings of the company shall be held by directors who are consulting engineers (or equivalent professionals of associated professions).

You are required to comply with the attached “Requirements for ISO 9001 Certification”, and submit all necessary documents together with your expression of interest.

You are also required to declare any involvement or interest if it is considered by you to be in real or apparent conflict with the duties to be performed for this consultancy. Any involvement or interest declared would be carefully considered but would not automatically bar you from being further considered in the selection process.

The initial list of qualified consultants approached for this Assignment is attached for your information. Based on the response received, normally four suitable firms/consortia will be shortlisted for submission of technical and fee proposals.

No Consultants are permitted to submit more than one bid for the same agreement. For the avoidance of doubt, Consultants who submit a bid in their own name and a bid in the name of an un-incorporated joint venture/partnership (with the Consultants concerned as a participant/partner) will be considered as having submitted two bids. Consultants (these must be consulting firms to be eligible for being considered for this consultant selection exercise) having linkages to each other, e.g. subsidiaries, parent or sister companies, are not allowed to bid on the same agreement. Only one firm among such consultants, as the case may be, should be allowed to submit expression of interest for a consultancy agreement. You are thus required to declare any linkage with other consultants on the above list. The existence of a holding-subsidiary relationship shall be determined in accordance with the provisions in Section 13 to 15 of the Companies Ordinance (Cap 622), “Sister companies” shall mean all companies which are subsidiaries of or otherwise belonging to the same holding company. Consultants having linkages should sort out among themselves before submitting any expression of interest.

For the purpose of this “no linkage” requirement, an academic institution and any separate entities/companies formed by the same academic institution or any of
its current staff, or any two of such entities/companies (whether formed by the same staff or not), shall be regarded as “linked”. An academic institution, and all such entities/companies formed by it or any of its current staff (whether by the same staff or not), shall be allowed to submit only one expression of interest for the same consultancy agreement. You are also required to declare any such linkage with other consultants on the above list, if applicable. An entity/company is regarded as formed by the academic institution or its staff if the latter is a partner/shareholder or a director of the former, whether or not the latter is a founding partner/subscriber when the entity/company was formed.

Failure to observe this requirement shall render all related expression of interest submitted null and void and any such submission shall not be considered.

Please note that the documents of unsuccessful consulting firms will be destroyed three months after the date the Agreement has been awarded and signed.

Please also note that this invitation is made before the necessary funds for the consultancy have been approved. The Government reserves the right to cancel this selection exercise for not having the necessary funds approved or for any other reason, in which case you will accordingly be notified. It should be noted that the Government will not be responsible for the reimbursement of any cost incurred by you for the preparation of the submission.

The electronic documents for preparing your submission are attached in Schedule 2 of the attached “licence Conditions for Electronic Invitation Packages”. You will be deemed to have accepted these conditions if you use the documents listed in Schedule 2.

Should you have any enquiry, you may contact Mr. Sam Y S WONG of this office at telephone no. 28294414 or Mr. Simon S K HUI of this office at telephone no. 28294771.
