Please quote ASN: _____

I serve this notice on the period of availability of site under safe condition for connection works (3 months advance notice normally required) and undertake to make the inside service ready for connection:

I confirm that the pipes and fittings installed or used in the captioned project are in full compliance with the relevant provisions in the Waterworks Regulations.

I fully understand and agree that the Water Authority may use the data collected from me in connection with this application for the purposes of, or directly related to, the processing of this application and any matters related to any certificate issued under this application. If I do not provide sufficient data, the Water Authority may not be able to process my application. I agree that the data collected may be transferred to other Government bureaux and departments and any other relevant parties for the aforesaid purposes. I further agree that the data (including my name and the details of the proposed development) may be made known to the general public (eg. by publishing the same on the internet). I understand that I may make a request to the Departmental Secretary of the Water Supplies Department at 48/F., Immigration Tower, 7 Gloucester Road, Hong Kong for access to and correction of my personal data.
